

Human Hair Extensions – *so many options!*

**Fancy a completely new look?
Luxurious long hair or dramatic highlights?
Trying to grow your hair but can't wait!?
Do you need to cover areas of thin growth?**

Extensions last for up to four months and are cared for just like normal hair. They can blend in or stand out depending on the effect you want to achieve - the possibilities are endless!

Our highly-experienced hair technicians can make that look you've always dreamed of **a reality**, and we are confident the condition of your scalp and hair will remain unchanged.

Prices vary depending on the quantity and style of extensions and can take between 30 minutes and 5 hours to attach and style.

Come in for a consultation – we'll provide an honest assessment regarding the suitability of your hair, advise you on style and effective hair care...

...then we're ready to transform your image!
